

Department of Chemistry & Biochemistry

2018 Summer Research Fellowship Application Form

Please complete all information and attach an unofficial transcript.

APPLICANT CONTACT INFORMATION

Name: _____

Address: _____

Email: _____

Student ID: _____

Level: _____

Degree program: _____

Major: _____

Date degree expected: _____

Overall GPA: _____

GPA of courses required for major: _____

Will you be enrolled at SFSU for the Fall 2018 semester?

ACADEMIC QUALIFICATIONS

1. List any awards, scholarships, or fellowships you have received and the award period.

2. List any awards, scholarships, or fellowships you have applied for, or will be applying for in the near future, along with the expected award amount and award period.

3. Provide the name of your summer research mentor. Arrange for a letter of support to be emailed from your research mentor to tkomada@sfsu.edu on or before 5 pm, March 16, 2018. ***The letter should include: (1) evaluation of the applicant as a research student, (2) how the applicant might benefit from engaging in independent research, and (3) how the applicant's planned summer research will benefit the mentor's research program.***

7. In a separate document, describe your summer research project. Include in your description: (1) title of the project, (2) long-term goal(s) and significance of the project, (3) the specific goals you aim to attain during the summer, and (4) an outline of how you will attain your specific goals. Do not exceed two pages.

8. List Chemistry & Biochemistry courses completed and in progress. Indicate courses in progress with "IP" in the grade column. Attach unofficial transcript from all colleges at which courses for the major were taken.

Course Title and Number	Where Taken	Instructor of SFSU courses	Grade
