IV. Eligibility Information

The goal of the national LSAMP Program is to “assist universities and colleges in their efforts to significantly increase the numbers of students matriculating into and successfully completing high quality degree programs in science, technology, engineering and mathematics (STEM) disciplines in order to diversify the STEM workforce. Particular emphasis is placed on transforming undergraduate STEM education through innovative, evidence-based recruitment and retention strategies, and relevant educational experiences in support of racial and ethnic groups historically underrepresented in STEM disciplines: African Americans, Hispanic Americans, American Indians, Alaska Natives, Native Hawaiians, and Native Pacific Islanders.”

V. Student Signature/Release

Please read the statement below and sign where indicated:

The information I have submitted in my California State University LSAMPS Application is true and accurate to the best of my knowledge. I understand that to track the progress of the CSU-LSAMP students and to evaluate program effectiveness, CSU-LSAMP requires access to student information. The CSU-LSAMP program is required to report individual student data to the National Science Foundation including social security number, ethnicity, GPA, and enrollment status. This information is also used to study student transfer, retention, progression, and graduation. Photographs and research abstracts may also be obtained for use by the CSU-LSAMP program in program dissemination materials such as websites, newsletters, and reports. The student data are collected by the CSU-LSAMP Statewide Office at California State University, Sacramento and each of the 23 affiliated Alliance CSU campuses.

I authorize release and use of personal information, as described above, to the CSU-LSAMP program. I understand that this information is to be used solely for evaluating the impact and effectiveness of the CSU-LSAMP program and that individual student data will not be released to parties other than those directly involved with the program.

I have read and understand all of the statements above.
