Department of Chemistry & Biochemistry 2020 Summer Research Fellowship Application Form

Please complete all information and attach an unofficial transcript.

APPLICANT CONTACT INFORMATION	ACADEMIC QUALIFICATIONS Degree program:	
Name:		
Address:	Major:	
	Date degree expected:	
	Overall GPA:	
Email:	GPA of courses required for major:	
Student ID:		
Level:	Will you be enrolled at SFSU for the Fall 2020 semester?	
2. List any awards, scholarships, or fellowships future, along with the expected award amou	s you have applied for, or will be applying for, in the near int and award period.	
3. Provide the name of your summer research	mentor. Arrange for a letter of support to be emailed from	

will benefit the mentor's research program.

your research mentor to <u>tkomada@sfsu.edu</u> on or before 5 pm, March 20, 2020. *Ask your mentor to include in the letter:* (1) evaluation of the applicant as a research student, (2) how the applicant will benefit from engaging in independent research, and (3) how the applicant's planned summer research

4.	If you are awarded this Fellowship, you will be required to present your research in Fall 2020 or Spring 2021. Please state where (i.e., name of conference, symposia, etc.), and when you plan to present your work.
5.	Provide a brief description of your future academic and career goals.
6.	Discuss why you wish to conduct research this summer and how this Fellowship will help you achieve your academic and career goals. State how completing the summer research experience will help you prepare for your future career.

- 7. In a separate document, describe your summer research project. Include in your description: (1) title of the project, (2) long-term goal(s) and significance of the project, (3) the specific goals you aim to attain during the summer, (4) the approach you will take to attain your specific goals, and (5) a timeline for your planned research activity. Do not exceed two pages.
- 8. List Chemistry & Biochemistry courses completed and in progress. Indicate courses in progress with "IP" in the grade column. Attach unofficial transcript from all colleges at which courses for the major were taken.

Course Title and Number	Where Taken	Instructor of SFSU courses	Grade
